## Top Notch Contractors Ltd - Health & Safety Policy Statement

Top Notch Contractors Ltd recognise and accept its moral and legal obligations to provide and maintain a safe and healthy working environment for all its employees. We are strongly committed to achieving the highest possible standards of health and safety.

We will actively promote a culture of health and safety best practice which will lead to the avoidance of, or reduction in, risks to health and safety and ensure compliance with the Health and Safety at Work Act 1974 and other associated legislation.

The Directors have set the following objectives for achieving the above:

- To provide the safest possible environment for its employees contractors clients, suppliers any others who may be affected by our activities.
- To eliminate, wherever possible, risks to health and safety, or where not possible, effectively control those risks.
- To reduce accidents and incidents to the lowest possible level.
- To ensure all employees are competent and effectively trained to carry out their duties in a safe manner.
- To actively review risks and their controls in an effort to constantly improve standards of health and safety in the light of new technology, legislation and best practice.
- To maintain an organisational structure for the management of health and safety, including lines of communication, co-operation and identification of responsibilities for managers with key health and safety roles.

We will provide the support and resources to enable managers to achieve these objectives.

These standards are relevant to our own operations as well as those which we manage and those in which we have a control responsibility.

All members of management and employees should regard health and safety as an integral part of their normal duties. The Company considers that serious or persistent disregard for the policy arrangements is a disciplinary matter and will be treated accordingly.
